

## DECLARATIONS WEEK 2

- I know what I want and get it and if I don't know what I want I will know very soon.
- I have what it takes.
- My creations will be even better than I intend them to be.
- All of my free energy will now go towards the goals I have chosen.
- Each day I become more alive.
- I create what I want with my energy, thought quality and action.
- Things come to me easily
- My choices and possibilities are truly limitless.
- My intentions will always come to fruition, if I intend so.
- I do not get lost in the HOW or WHEN something will happen, but focus on the WHAT and WHY it will happen.
- I allow myself to imagine in unlimited ways.
- I give myself permission to have everything I intend to have.
- I am a creator.

## **HOMEWORK WEEK 2**

1. Fast forward 10 years from now. It is 2030 and you have connected with a higher version of yourself and given yourself permission to be, have and do everything you have ever wanted. Describe in detail the success of your last ten years and how you feel about yourself now, 2030.
2. It is 2030, but you did not give yourself permission, you did not go after the big goals. What does that look like and how do you feel?
3. Which version of the story are you going to choose? Choose it now.
4. What is it specifically you want to have in regards to professional and personal success? If you do not know now, leave this blank until you feel it.
5. How much time, energy and commitment do you feel it will take to accomplish this goal?
6. What do you need to do in order to accomodate this time, energy and commitment in your life right now?
