- Coming out of survival mode/Changing thought direction
Understanding debt, unemployment and the ebb and flow
- What do you want? What are you capable of?
Narrowing down your skills, trying new things, finding purpose and creating your possible life's work
- Becoming alive! Generate new material therefore new opportunity!
- Magnetizing clients, opportunities, miracles and magic
- HAVING money!
Completing the circle of giving and receiving
Respecting your value, time and worth!
- Using TUFTI concepts to achieve success quickly
- Goal setting and taking it to the next level via the 30 anomalous action challenge

Please get a journal to write notes and a journal for a 'goals and doors' book, that will be used later.

Every week you will be sent your homework assignment in advance and your page of 'Declarations'.

You can start reading the declarations now and repeat them often. Please also read the attracting/repelling qualities worksheet daily.

Do not start the homework questions until after you have received the lesson.

It is time to kick your butt into overdrive and start consolidating energy into new or existing money making endeavours!

DECLARATIONS WEEK 1

- All the wealth I will collect from this day on starts with me.
- I am the bridge between the Alternatives Space and my physical reality.
- What I choose to focus on becomes my reality. I never doubt this.
- My world only provides me with what I need at this time, sometimes more but, never less.
- My beliefs create my reality. I now choose to believe in the unlimited nature of the Alternatives Space.
- My world is always working for me and towards me.
- Everything I do from this day on increases my value and worth.
- I trust my world to give exactly what I need at the perfect time and in the perfect way.
- My debts are energetic credits for what I will soon create and materialize.
- I deserve wealth.

HOMEWORK WEEK 1

1. Now is the time to get rid of limiting beliefs, doubts holding you back or old patterns of thinking no longer serving you. What do you need to burn before you start this journey?
2. What has already materialized in my current reality that I feel is a personal achievement? List as many as you possibly can.
3. What have I learned about being in survival mode?
4. In what ways has living in survival mode made me stronger? What skills did I develop?
